"The knock 'em dead role here is Jennifer Bernstone as Grace.... Her fine voice and control of mercurial mood shifts were impressive."
-The Arizona Republic

"...the voice of a nightingale..."
-The Leaf Chronicle, Clarksville, TN

"Jennifer Bernstone's eloquent voice... is a highlight of the evening."
- The Des Moines Register

"One solo of Bernstone's is quite dense with a lot of movement. It's one of the hardest, almost the whole dance is done in the air and she does it vibrantly."
-The Tribune, Ames, IA
